

structor. There may be special circumstances (e.g. a serious illness of the student or the death of a close relative) in which the instructor has agreed to allow late work to be submitted by the student. In these approved cases, the instructor will submit a temporary notation of INC in place of a final grade.

In all cases where the temporary notation of INC has been submitted, the incomplete or late work must be completed by the student by the following deadlines:

First semester courses	February 1
Second semester and full courses	June 1
Intersession (May-June) courses	August 1
Summer School (July-August)	October 1
Special schedule courses	No later than one month after the completion of the course

Within one month of the above dates, the instructor must submit a final grade in place of the temporary notation of INC. Unless the final grade is submitted by these deadlines, the Reg-

istrar's Office will be used in computing the student's G.P.A. Beyond these deadlines, the Registrar's Office will not accept or record any grade changes (other than those due to appeals or errors).

If there are exceptional circumstances, the student may petition for an exemption by following the procedures outlined in the calendar under Section G. Appeal Procedures.

Electronic devices such as laptops, cell phones and blackberries shall not be taken into examination rooms except in special cases with the prior permission of the instructor. Instructors who invigilate examinations shall ensure that all unused examination booklets are removed from examination rooms and securely stored.

C. Academic Standing

The annual grade point average (GPA) of students determines their academic standing. There are four types of academic standing: good standing, academic probation, deferred dismissal and academic dismissal.

1.

In order to maintain good academic standing full-time students must earn a minimum annual GPA of 2.0 in each year of their program. Part-time students must earn a minimum GPA of 2.0 on each block of 30 credit hours attempted.

2.

Academic probation follows upon notice of unsatisfactory academic performance and is a warning to the student that improvement is required in order to avoid academic dismissal. Students placed on academic probation shall have their participation in extracurricular university activities restricted in such a manner as the Registrar may determine. A student whose annual GPA falls below 2.0 but above 1.5 is placed on academic probation. A student who has been placed on academic probation and whose annual GPA in any subsequent year falls below 2.0 will be required to withdraw from the University.

i. Categories of Students to Whom Deferred Dismissal Applies

1. Students in good academic standing in the previous academic year who have

attempted between 18-30 credit hours, and whose current annual grade point average is 1.0 through 1.5 inclusive, will be placed on deferred dismissal.

2. Students on academic probation during the current academic year who have attempted between 18-30 credit hours, and whose annual grade point average is 1.8 or 1.9, will be placed on deferred dismissal.

ii. Requirements for Deferred Dismissal

1. Course load in the first semester will be limited to a maximum of 12 credit hours.
2. A remedial course, University Studies 1010 (UNST 1010), will be required in the first semester. Students will be graded on a Pass/Fail basis. The course will not be counted toward the 120 credit-hour requirement for the Bachelor of Arts degree. Attendance in this course will be mandatory.

iii. Requirements to Proceed into Second Semester

1. Students who have achieved a grade point average of 2.5 or above in their first-semester courses, and a Pass in UNST 1010, will not be required to take the second-semester remedial course, UNST 1020. Instead, they may take a maximum of 15ch in the second semester.

2. Students who have achieved a grade point average of 2.0-2.4 inclusive in their first-semester courses, and a Pass in UNST 1010, will be permitted to continue to second semester. Course load will be limited to 12 credit hours. Students will also be

required to take the second-semester remedial course, UNST 1020. Students will be graded on a Pass/Fail basis. The course will not be counted toward the 120 credit-hour requirement for the Bachelor of Arts degree. Attendance in this course will be mandatory.

3. Students who have achieved a grade point average of less than 2.0 in their first-semester courses, or who have received a Fail in UNST 1010, will be required to withdraw from the University for a period of 12 months.

iv. Requirements for Proceeding to the Bachelor of Arts Program

Students who have achieved an annual grade point average of 2.0 or above and who have received a Pass in UNST 1020 may proceed to the Bachelor of Arts Program.

Deferred Dismissal is a one-time opportunity. Students whose annual grade point average falls below 1.6 in any subsequent year will be required to withdraw from the University for a period of 12 months.

There are two circumstances in which students may be required to withdraw from the University because of unsatisfactory academic performance:

- a. A student whose annual GPA falls below 1.0 in any year will be required to withdraw from the University.
- b. A student who has been placed on academic probation and whose annual GPA in any subsequent year falls below 2.0 will be required to withdraw from the University. A student who is required to withdraw from the University is eligible to apply for readmission subject to the regulations below.
